Cookie Policy

As is common practice with most professional websites this site uses Cookies to improve your experience.

This page describes what information they gather, how we use it and why we sometimes need to store these Cookies. We will also share how you can prevent these Cookies from being stored however this may downgrade or 'break' certain elements of the site's functionality.

What are Cookies

A Cookie is a small text file that a website saves on your computer or mobile device when you visit the site. It enables the website to remember your actions and preferences over a period of time, so you don't have to keep re-entering them whenever you come back to the site or browse from one page to another.

How We Use Cookies

We use Cookies for a variety of reasons detailed below. Unfortunately in most cases there are no industry standard options for disabling Cookies without completely disabling the functionality and features they add to this site. It is recommended that you leave on all Cookies if you are not sure whether you need them or not in case they are used to provide a service that you use.

Disabling Cookies

You can prevent the setting of Cookies by adjusting the settings on your browser (see your browser Help for how to do this). Be aware that disabling Cookies will affect the functionality of this and many other websites that you visit. For example, if Cookies are disabled on bookharbour.com, some of the website features may not function as a result. You may not be able to add items to your Shopping Basket, proceed to Checkout, or use features that require you to Sign in.

The Cookies We Set

If you create an account with us then we will use Cookies for the management of the sign-up process and general administration. These Cookies will usually be deleted when you log out however in some cases they may remain afterwards to remember your site preferences when logged out.

This site offers newsletter or email subscription services and Cookies may be used to remember if you are already registered and whether to show certain notifications which might only be valid to subscribed/ unsubscribed users.

Third Party Cookies

We use some Cookies provided by trusted third parties. Third party analytics are used to track and measure usage of this site so that we can continue to produce engaging content. These Cookies may track things such as how long you spend on the site or pages you visit which helps us to understand how we can improve the site for you.

By continuing to use this website, you agree to our use of Cookies
